FORGERY AND CONSPIRACY.

New York, May 1.—Following an in-quiry by the district attorney's office into the recent election of directors of the New York Life Insurance Co four arrests were made Tuesday. Other arrests are expected and it was said last night that if certain charges were proven the result of the election might be upset.

Jacob Frank, a New York Life In in Brooklyn, was arrested in the office of the district attorney, charged with forgery in the third degree and paroled by a magistrate in the custody of his counsel, George Battle.

Alona with several other persons connected with the insurance company, Frank had been summoned to explain the signatures of severa policyholders to alleged forged ballots cast at the recent election of director. of the New York Life. It is said Frank made a statement to Assistant District Attorneys Smythe and How that will facilitate prosecution of the ballot cases if any is undertaken.

Later in the day Charles Stirrup said to have been watcher for the international policyholders committee at the recent election of directors of
